

YOUR CONNECTION TO GREAT LOGISTICS

CORPORATE SERVICES

The Freight Company Global provides bespoke logistical solutions to the many varied companies involved in the corporate event industry.

Whether it be a small or large production, TFC Global will personally manage your logistics. Cost effective and budget conscious, we handle anything from a one off show to the seamless fulfilment of a complete world tour itinerary or product launch.

TFC Global represents a step beyond conventional freight forwarding. We have access to a vast worldwide network of agents, airlines, vehicles and production industry experts.

With a vast portfolio of clients and having worked on a wide range of prestigious home grown and International events, TFC Global have the knowledge, experience and personnel to provide you with what you need.
