

SETTING THE STAGE FOR A PERFECT PERFORMANCE

THEATRE & ORCHESTRAS

**Percussion, woodwind and strings,
Musicals & Drama through to props and sets,
The Freight Company Global provides bespoke
logistical solutions for your specialist kit.**

Whether it is a small or large production, TFC Global will personally manage your logistics. Cost effective and budget conscious, we handle anything from a Stradivarius Violin to the seamless fulfilment of a complete world tour itinerary.

We work closely with your production team throughout a project, to provide you with all the necessary support to enable a stress free performance.

TFC Global has access to a vast worldwide network of agents, airlines, an array of production industry experts and vehicles including tour specification trailers with temperature control.
