

SKY'S THE LIMIT

CHARTER / AIR FREIGHT

The Freight Company Global provides bespoke logistical solutions to the many varied companies involved in the live events business.

TFC Global represents a step beyond conventional freight forwarding, providing a personally managed logistics solution to all our clients from SME to Corporate. We have access to a vast worldwide network of agents, airlines, vehicles and production industry experts.

TFC Global's experienced staff have handled many domestic and International charters over the past 10 years. This includes; liaising with local airline operators, transit sheds, customs, local agents and transport companies.

TFC Global Logistics can provide charter solutions for the following:

- Complete Tour Movements
- Backline & Staging
- Orchestral and Theatre Equipment
- Cargo and Passenger Charters
- Product Launches or Conferences
- VIP Charters
